

# PLATINUM PREMIER DINING INFORMATION CARD

**What is Platinum Premier?**

Platinum Premier is a new amenity for a limited number of Platinum Club Members available at all Dallas Mavericks and Dallas Stars games. Premier members may enjoy exceptional hors d'oeuvres, light fair, traditional game food and more in the newly remodeled Platinum Club located at the south end of the Platinum Level (200 level).

**What time may I access the Premier area?**

The Platinum Premier area is available when the Platinum Club doors open (2 hours prior to Stars and Mavs games) through the 5-minute mark prior to the end of the first quarter or first period.

**Where do I go?**

To get your complimentary Platinum Premier food and beverage (located at the center of the Platinum Club), you will need to get a wristband that identifies you as a Platinum Premier Member. To get your wristband, simply take your ticket to one of the two Premier Concierge Desks located at the east and west entrances of the Platinum Club. There, concierges will scan your game ticket and give you your wristband granting you access privileges to the Platinum Premier Dining area.

**Where can I sit while I dine?**

A limited number of tables with chairs are available to Platinum Premier members on a first come, first serve basis. We recommend arriving at the Platinum Club as early as possible in order to get a table with chairs! If the seated tables are full, you may also dine at the standing cocktail tables or at the tables located directly above the Platinum Club on the Admiral Level.

**How do I get my complimentary beverages?**

Simply order from any of the cocktail servers found throughout the Platinum Club at all of the tables and bar areas. Show your wristband to identify yourself as a Platinum Premier member at the time of your order. Choose from a variety of sodas as well as tea and water. Alcoholic beverages are not included with Platinum Premier membership but are available for purchase.

**Can I take my Platinum Premier food/drinks to my seat?**

Yes! To-go containers are available at "Express Lane" stations located at both the east and west entrances.
